## So, what is a Superhero?

Odds are if you look in the mirror, you will see one. Or else you will see the potential of a Superhero just waiting to get out. It's your choice. A Superhero is just an ordinary person, like you, who chooses to do extraordinary things.

Like what, you might wonder?

Well, a Superhero is someone who helps others. A Superhero gives a hand up to those who need it. Superheroes make their community better. They help others be the best that they can be. Superheroes are everyday people, just like you. Superheroes in Washington County all have a secret weapon

that they use every day... the Washington County Community Foundation. The Foundation helps them give back to the causes they care about most, now and forever. Superheroes use the Foundation to create their Legacy so that they can continue to do good long after they are gone. The Foundation makes it easy for anyone to be a Superhero.

There is a superhero in you... all you have to do is choose to put on the cape!

Here for Good,

Danny Habermel  
President, Board of Directors

# START A FUND THIS YEAR....

And when we celebrate our 50<sup>th</sup> Anniversary, your fund could look like this:

# BE A SUPERHERO.

The net worth of Washington County is estimated to be **\$1.06 Billion**. Over the next 10 years, \$330 million is expected to be transferred from one generation to the next. If every estate gave just 5% to the community for future generations, Washington County Community Foundation could grant an additional **\$860,000.00 each year forever. Just 5%.**

Washington County Community Foundation is accredited with the most rigorous standards in philanthropy.
