

You Can Paint a Brighter Future....

Washington County
Community Foundation

2018 Annual Report
To The Community

For Good. For Ever. For Washington County.

Dear Friends,

You are a great artist. Did you know that?

Just take a minute and consider this:

When you look at a beautiful, breathtaking painting, do you say to yourself, "Wow. The paintbrush did a remarkable job!" Or, "Amazing! Those paints arranged themselves in a most incredible manner!"

Of course not. You know that the artist, the person holding the brush and arranging the colors, is responsible for the painting. The paint and brush are just tools.

Now, imagine our community as a canvas... a beautiful work of art in progress and that you are the artist. Can you imagine how you can paint a better Washington County? What can you do to make the Washington County of tomorrow more beautiful than today? And, HOW can you do that?

Well in this scenario, you have two of the three requirements (the artist

and the canvas.) The only things missing are the tools to be used, and that is where the Washington County Community Foundation comes in. The Foundation is the brush and paint.

Imagine what you can accomplish by using the Foundation.

Do you want to continue to tithe to your church, forever? Do you have a favorite charity that you support on an annual basis? Will they miss that support when you are gone? Do you want to help hungry children, struggling families, or persons with disabilities? Do you just want to make Washington County better?

If you answered yes to any of these questions, then please release your inner artist! Use the Foundation to create the future you envision. You can paint a better tomorrow and we can help.... Just choose to pick up the brush.

Here for Good.

Make a gift NOW and get LIFETIME income.

It sounds too good to be true but it isn't.

Charitable Gift Annuities and Charitable Remainder Trusts will help you:

- Avoid Capital Gains tax
- Give back to our community and/or support your favorite charity, forever
- Receive a charitable tax deduction
- Enjoy income for life with favorable rates of return

Make a gift later.... It costs you nothing now.

It can be very easy to give back to our community through the Foundation with a gift in your Will or estate plan. If it is time for you to update your Will, be sure to let your professional advisor know that you want to leave a gift to our Foundation.

If you want to make a gift that is flexible and easy to revise,

Consider making our Foundation a beneficiary of your retirement assets such as an IRA, 401(k), or 403(b) or life insurance policy. You can easily revise the Beneficiary Designation Form and leave a percentage to help future generations in Washington County.

This type of gift will help you:

- Maintain control of your assets during your lifetime
- Reduce estate taxes
- Give back to our community and/or support your favorite charity, forever

If you want the best of both of these,

Consider setting up a charitable trust or charitable gift annuity for your heirs with your retirement assets. We can work with you and your professional advisor to set up a charitable trust or annuity that will be funded in the future with your retirement assets. Then the trust or annuity will payout to your heirs for a term of years or for the rest of their lives. This type of plan will help you:

- Maintain control of your assets during your lifetime
- Reduce estate taxes
- Provide regular income for your heirs for their lifetime or a number of years
- Give back to our community and/or support your favorite charity, forever

You can paint a stunning future for Washington County.

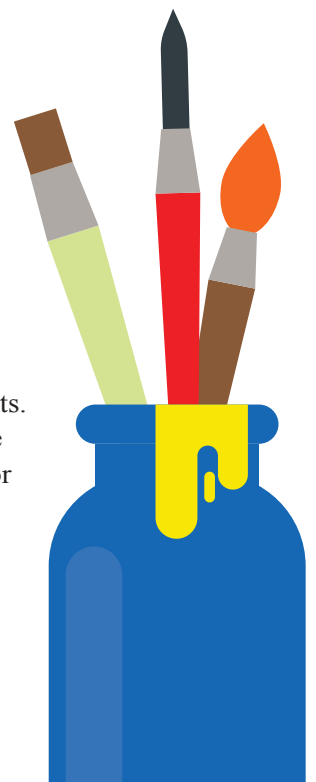

Leave a beautiful legacy. Future generations will love you for it!

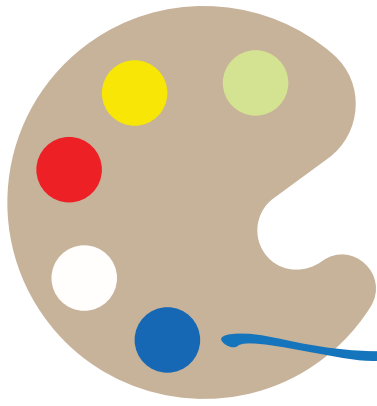

JUST AS THERE ARE
MANY DIFFERENT WAYS

to Paint

(oil, water acrylic....)

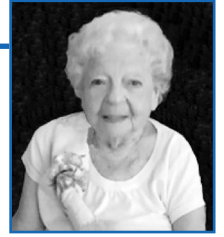

there are also many ways that you
can give back to our community
through the Foundation.

Betty J. Brown

is painting an easier path for others.

“My life is pretty simple,” she stated. “I loved my husband, my daughter and my friends. They were and still are the most important parts of my life.”

Betty was born in her grandmother’s home in Salem and lived most of her life in Salem. She attended Salem High School and graduated mid-year in 1944. She met her future husband, Walter, at the ice skating rink. They had their first date when Walter took her to a concert in French Lick. Soon after, Walter left to serve in the Navy in 1942. He served in the Navy from 1942-1946. Betty and Walter were married on October 22, 1944, in Minneapolis, MN, where Walter was stationed. Betty, her mother and her future mother-in-law took the Monon train to Minneapolis. Betty and Walter were married in a Baptist church among a sea of sailors.

They built their home in Salem, Indiana and lived many, many happy years there. For Betty, her family and the home she made for them were the centerpiece of her life and her pride and deepest joy. Their home was their safe and happy place.

Betty and Walter had one daughter, Tena. She was born October 3, 1950. Betty and Tena were very close. Tena married John Williams in August of 1988. Walter and Betty welcomed their new son-in-law to the family and soon John became the son they never had.

They were living the American Dream until Walter became sick and was diagnosed with cancer. He passed away in 1992 in their house with Betty and Tena by his side. Fifteen years later, Tena was diagnosed with cancer and passed away in November of 2007.

For the rest of her life, Betty’s son-in-law, John, remained one of her closest and dearest friends.

Betty stated, “I don’t mind growing older, I just don’t want to be old. My doctor says I have a 92-year-old body with a 40-year-old brain. I like that. I realize that life is an honor and when you look for it, you can see that. Like, seeing the eclipse was an honor.”

Because Betty lost Walter and Tena to cancer, and she herself is a cancer survivor, she wanted to do something for others who are battling this disease. So, she left about half of her estate to establish the Betty J. Brown Cancer Survivor Fund in the Washington County Community Foundation. This fund will help others who are battling cancer with transportation costs associated with getting treatment.

Betty stated that she just wanted to do something to help others in our community. She firmly believed that you have to be a good friend to have good friends. She has been blessed all her life with good friends. In the end, Betty just wanted to be a good friend to others in Washington County, help them through a difficult time, and hopefully inspire them to pay it forward.

THERE ARE SO MANY WAYS FOR YOU TO PAINT A BETTER TOMORROW!

Here are a few ways that you can let that inner artist out:

Your gifts can create beautiful experiences.

For five days in May, we had the opportunity to host The Wall That Heals. On top of being a visually stunning exhibit, The Wall also offered a time to “welcome home” our local Vietnam Vets and offer all friends and family members of military personnel from that era a time to heal.

Over 150 people volunteered to make this event a success. It is estimated that we had about 7,600 visits to The Wall. People of all ages visited The Wall and learned about, or remembered, a tumultuous time in our nation’s

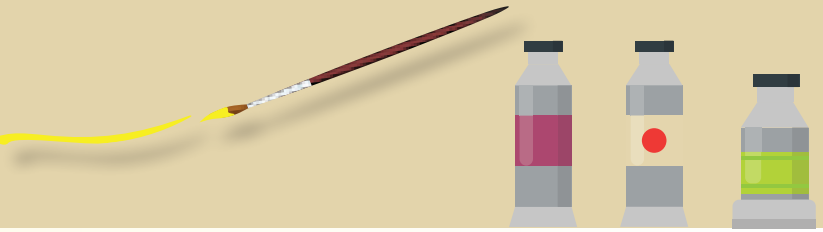

history. There are over 58,000 names on The Wall, including eight women. Four men from Washington County are on The Wall.

We were proud to host The Wall. It was a special time in our county’s history and an experience that will be remembered for years. The beauty of the lit Wall against the night sky is permanently etched on our minds and our hearts.

We humbly thank our donors for making this experience possible.

- 1 **Endowments are forever.** Your charitable wishes will always be honored and the causes you care about most will be supported forever.
- 2 The principal of your endowed fund will **continue to grow** over time.
- 3 Funds placed in our endowed pool are **invested for the long-term.**
- 4 An endowed fund **cements a lasting relationship** between you and our community.
- 5 Your generosity will be felt for **generations to come.**
- 6 Grants made from your fund will have a **positive impact on evolving community needs.**
- 7 Establishing your endowed fund, making contributions to it and making grants from it can be a **family affair.**
- 8 You create a **permanent resource for future needs.**
- 9 Creating an endowment with us is a good investment and serves as a **positive force in our community.**
- 10 You will receive **maximum tax advantage** under state and federal law.

5%

can make an incredible difference to future generations.

The net worth of Washington County is estimated to be **\$1.06 Billion**. Over the next 10 years, \$330 million is expected to be transferred from one generation to the next. If every estate gave just 5% to the community for future generations, Washington County Community Foundation could grant an additional **\$860,000.00 each year forever. Just 5%.**

Washington County Community Foundation is accredited with the most rigorous standards in philanthropy.

Excellence. Accountability. Impact.™

Accredited since 2005.
