

2020 GRATITUDE REPORT  
TO THE COMMUNITY

YOU Can Make  
Washington County

*Shine!*

Washington County  
Community Foundation

For Good. For Ever. For Washington County.

812-883-7334

[www.wccf.biz](http://www.wccf.biz)

*Dear Friends,*

There are not enough ways for us to thank our generous donors.

Washington County is truly glistening because of our caring donors. We have so much promise and our donors are helping our community to realize its potential, to truly sparkle. All of our donors, whether their gifts were large or small, have contributed to making tomorrow better for our residents.

We all see Washington County differently.... A diamond in the rough; a light under a basket; a shimmering star; a twinkle in a child's eye; the splendor of the glistening dew on a summer's morning. That is our beauty. We can all see and appreciate the assets of our community. And we can see a brighter tomorrow.

### **Make a gift NOW and get LIFETIME income**

It sounds too good to be true but it isn't.

Charitable Gift Annuities and Charitable Remainder Trusts will help you:

- Avoid Capital Gains tax
- Give back to our community and/or support your favorite charity, forever
- Receive a charitable tax deduction
- Enjoy income for life with favorable rates of return

### **Make a gift later.... It costs you nothing now**

It can be very easy to give back to our community through the Foundation with a gift in your Will or estate plan. If it is time for you to update your Will, be sure to let your professional advisor know that you want to leave a gift to our Foundation.

### **If you want to make a gift that is flexible and easy to revise**

Consider making our Foundation a beneficiary of your retirement assets such as an IRA, 401(k), or 403(b) or life insurance policy. You can easily revise the Beneficiary Designation Form and leave a percentage to help future generations in Washington County.

This type of gift will help you:

- Maintain control of your assets during your lifetime
- Reduce estate taxes
- Give back to our community and/or support your favorite charity, forever

### **If you want the best of both of these**

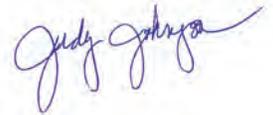

Consider setting up a charitable trust or charitable gift annuity for your heirs with your retirement assets. We can work with you and your professional advisor to set up a charitable trust or annuity that will be funded in the future with your retirement assets. Then the trust or annuity will payout to your heirs for a term of years or for the rest of their lives. This type of plan will help you:

- Maintain control of your assets during your lifetime
- Reduce estate taxes
- Provide regular income for your heirs for their lifetime or a number of years
- Give back to our community and/or support your favorite charity, forever

We thank our donors for their support and generosity. As you peruse this report, just remember that our donors make everything possible. Most importantly, we thank our donors for believing that everyone deserves a chance to shine.

*You can help Washington County shine on forever. Leave a glowing Legacy. Future generations will love you for it.*

# Beth Armstrong

*She dazzled all of us.*

Beth moved to Washington County in 2006, after marrying the love of her life, Todd Armstrong. She immediately took on two new challenges: finding a job in Washington County as well as being a step-mom to Todd's two children, Parker and Mason, who were eight and four at the time. As she began looking for new employment, she wanted it to involve one of her two biggest passions: agriculture or youth.

She was presented with the opportunity to become the Youth First Coordinator through the Washington County Community Foundation. "I was excited to not only be working with kids but also be working within the county," Beth stated. The work that she was able to complete over the years brought her a tremendous amount of joy. "I loved what I did, and I loved knowing that the work I did each day is not only bettering our community but also benefiting where my kids will grow up."

"Beth was the perfect person for the job. Even though she was not a Washington County native, she had a deep love for Washington County and cared deeply for the youth of Washington County. She wanted to see them prosper and have as many opportunities as possible," states the Financial and Program Manager of the Washington County Community Foundation, Lindsey Wade-Swift.

Following Todd and Beth's marriage in 2006, they built a home on Todd's family farm, where they farmed 400 acres of land. They also stayed busy raising Angus cattle on top of al-

ready demanding careers off of the farm. Todd and Beth were also blessed with two additions to their family. The first to come along was Jack in 2007. He was then followed by Charlie in 2009.

Beth Armstrong simply loved this community. Not only did she find joy in being involved in the community; she also enjoyed just simply being at home and being outdoors. "We love where we live. There is a rich history of agriculture, and it is beautiful," stated Beth.

Beth was also involved in so many activities:

- Washington County YMCA Board President
- Received her FFA Honorary Degree
- Volunteer Coach- Salem Soccer Club 10U
- Volunteer for West Washington Schools
- Hoosier Help- delivered meals to the elderly during COVID
- Horner's Chapel Church Board
- Posey Township Advisory Board
- Hoosiers Help- Mission trip to NV

- Member of Substance Abuse Council
- Board Member of Good Samaritan Inn

- Washington County Working on Wellness
- Unity Prayer Breakfast volunteer
- Fathers Forever Coalition

- Afternoon ROCKS Program
- Washington County Hometown Competitiveness Team
- FFA State Degree
- FFA American Degree
- 4-H CAN Make a Difference Food Drive

Todd and Beth established the Todd and Beth Armstrong Youth Development Fund in 2008. "We believe that investing in youth is a great way to invest in the future of our community," Beth stated. Now Beth will be able to continue to lift up our youth, forever.

Perhaps the biggest accomplishment of all for Beth was something that we all strive for: Beth left our community better than when she found us. She approached every opportunity to help out with a "no holds barred" attitude. She was the first to show up and the last to leave. She truly gave all she could and then some. Beth left us entirely too soon in October of 2020. But while she was here, she dazzled us all.

At Beth's passing, her family requested donations to our Foundation in lieu of flowers. In total, Beth's friends and family made over 260 donations totaling over \$35,000 primarily to the Todd and Beth Armstrong Youth Development Fund, which was started in 2008. Beth's family and friends will help her lift up our youth forever. This was one of Beth's dreams: to help our youth SHINE.

# Your Gifts are Helping our Young Readers *Shimmer and Shine!*

*“The worc that yon rcab, the worc thbings yon mill kuom.  
The worc that yon lcaru, the worc qlaecs yon ’ll go.”*

**Dr. Suess**

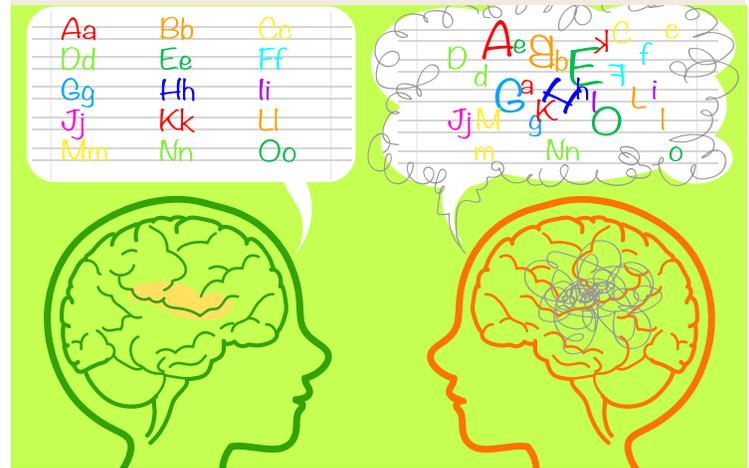

The process your brain had to use to decode the above quote from Dr. Seuss (“The more that you read, the more things you will know. The more that you learn, the more places you’ll go.”) is the same process a person with dyslexia has to use to read anything- from a menu at a restaurant to the instructions to fill out their tax return. It is estimated that about 20% of our population has characteristics of dyslexia. This is just one example of what a dyslexic person might encounter. There are many variations.

In 2018 and 2019 our generous donors, awarded grants to CAST that enabled them to provide training through the Dyslexia Institute of Indiana to over 40 local teachers and volunteers.

Also, our generous donors awarded \$75,000 in 2020 to CAST to establish a Dyslexia Resource Center. This Center will provide valuable resources and interventions for our local students, thus eliminating the need to drive to Indianapolis or Louisville.

Thanks to our donors, our county has teachers specially trained to teach students with this learning disability. This is life-changing for these students. Caught early enough and with the proper teaching techniques, almost all dyslexics can overcome dyslexia. Their future can be brilliant- just like these famous dyslexics: Orlando Bloom, Steven Spielberg, Tom Cruise, Albert Einstein, Jim Carey, Whoopi Goldberg, John F. Kennedy and the list goes on and on.

*Thanks to our donors for giving these  
students a chance to sparkle.*

## What does a **DYSLEXIC PERSON** see when he/she reads?

**There is no single pattern of difficulty that affects all dyslexic people. A dyslexic person might have any of the following problems:**

- He/she might see some letters as backwards or upside down;
- He/she might see text appearing to jump around on a page;
- He/she might not be able to tell the difference between letters that look similar in shape such as o and e and c ;
- He/she might not be able to tell the difference between letters that have similar shape but different orientation, such as b and p and d and q ;
- The letters might look all jumbled up and out of order;
- The letters and words might look all bunched together;
- The letters of some words might appear completely backwards, such as the word bird looking like drib ;
- The letters and words might look o.k., but the dyslexic person might get a severe headache or feel sick to his/her stomach every time he/she tries to read;
- He/she might see the letters o.k., but not be able to sound out words — that is, not be able to connect the letters to the sounds they make and understand them;
- He/she might be able to connect the letters and sound out words, but not recognize words he/she has seen before, no matter how many times he/she has seen them — each time he/she would have to start fresh;
- He/she might be able to read the words o.k. but not be able to make sense of or remember what he/she reads, so that he/she finds himself/herself coming back to read the same passage over and over again.

## RALPH & FAYE MAHURON A Case Study

**They have passed away, but they still help our community shine!**

Their Fund started with \$420,000

Twenty-five years later, it has awarded

**\$539,766 in Grants**  
& has a value of  
**over \$804,647**

This fund will continue to grant and grow year after year.  
That is the **POWER** of **ENDOWMENT!**

Ralph and Faye were Washington County residents their entire lives. Ralph was born on a farm in South Boston and Faye was from the Pekin area. For the most part, they led a quiet, conservative life but they had many interests. Ralph was a member of the Salem Masonic Lodge and Faye was a member of the Order of Eastern Star. They were active in their church

and very interested in the history of Washington County. Faye passed away June 1, 1992 and Ralph passed away September 15, 1993.

Today, and forever in Washington County, many organizations and individuals will benefit because Ralph and Faye cared enough about our community to give back to the county.

The Ralph and Faye Motsinger Mahuron Fund was established with the Washington County Community Foundation in late 1995 with an initial donation of \$420,000.00. Every year, Ralph and Faye's fund issues grants to 14 different organizations and causes for which they cared deeply.

## 10 Reasons Why People *Create* an Endowment with the Washington County Community Foundation

1. **Endowments are forever.** Your charitable wishes will always be honored and the causes you care about most will be supported forever.
2. The principal of your endowed fund will **continue to grow** over time.
3. Funds placed in our endowed pool are **invested for the long-term.**
4. An endowed fund **cements a lasting relationship** between you and our community.
5. Your generosity will be felt for **generations to come.**
6. Grants made from your fund will have a **positive impact on evolving community needs.**
7. Establishing your endowed fund, making contributions to it and making grants from it can be a **family affair.**
8. You create a **permanent resource for future needs.**
9. Creating an endowment with us is a good investment and serves as a **positive force in our community.**
10. You will receive **maximum tax advantage** under state and federal law.

The net worth of Washington County is estimated to be **\$1.06 Billion**. Over the next 10 years, \$330 million is expected to be transferred from one generation to the next. If every estate gave just 5% to the community for future generations, Washington County Community Foundation could grant an additional **\$860,000.00 each year forever. Just 5%.**

*Washington County Community Foundation is accredited with the most rigorous standards in philanthropy.*
