

Fall Grant Cycle
2019

Applicant	Project	Amount Awarded
Jackson Township Volunteer Fire Dept.	AED – Replace 10-year-old AED and add two new American Heart Association Emergency Cardiovascular Care guidelines compliant AEDs.	\$2966.00
YMCA/Youth First	THRIVE Afterschool Outings – Offer after-school outing for mentors and mentees twice per school year to have a safe space for interaction between mentors and mentees after school as well as gifts so that mentees could remember the program.	\$726.00
Blue River Services	Improved Vocational Training for Adults with Intellectual and Developmental Disabilities – Smartboard to improve vocational training services for adults with intellectual and developmental disabilities.	\$2899.00
Junior Achievement	JA Educational Programming in Washington County – Economic and Financial Literacy Programming.	\$2500.00
Dare to Care	Backpack Buddy Program – Provide nutritious, kid-friendly food to children from low-income families on weekends when they do not receive breakfast and lunch from school. Based on teacher recommendations from those on the free and reduced lunch program.	\$6500.00
Light up the Courthouse	There are county residents that would like to see lights on the courthouse. The lights would be in the ground, not Christmas lights strung on the courthouse, and would illuminate the courthouse all year. The residents are donating money themselves and garnering donations, but may need a push from WCCF to get to the amount needed for the lights.	Up to \$5000.00 if needed
TOTAL		\$20,951.00
