

SCS Giving Tree Education Grants
Grant Cycle, 2011

Applicant	School	Grade Level	Project	Grant Amount
Blair Thompson	SMS	6	Green Screen Picture in Time – Uses green screen technology and Web Quests will put students in the middle of history to be active participants in history by researching. Students will then explain and support how the historical figure is important and relevant to the 21 st Century. Students will also incorporate writing skills and make presentations to the class. This is a collaboration with Jon-David Wade-Swift	\$206.50
