April 2023

Washington County Community Foundation

Preserving Legacies and Nurturing Tomorrow

Now it's even easier for donors like you to leave your forever legacy at the Washington County Community Foundation thanks to a PLANT 2023 matching grant!

2023 is a big year at the Washington County Community Foundation; 30 years of celebrating our donors and the impact you have had in our county! Over the past 30 years we are so blessed to have wonderful donors that have truly made our community better.

Thanks to donors like you, we are able to offer a P.L.A.N.T initiative this year to preserve legacies and nurture tomorrow. Touch Tomorrow endowments are the most versatile funds within the Community Foundation. Each year, the Board of Directors will determine the grant making priorities for the community and then use these Touch Tomorrow funds as needed. The grant making priorities can be part of a competitive grant cycle, or the Board of Directors may decide to proactively issue grants in the community outside of a competitive grant cycle. Gifts made to a Touch Tomorrow fund remain a permanent asset at the Community Foundation.

Thanks to our donors, we are offering a matching grant up to \$75,000 to go towards Touch Tomorrow endowment funds. This PLANT initiative was created to encourage the many donors that support Washington County to establish a new Touch Tomorrow Fund or grow their existing fund.

Requirements for the 2023 P.L.A.N.T. initiative:

- Donations must go to an Endowed Touch Tomorrow Fund (New & Existing Funds)
- Must give monthly through ACH, Bank-Auto Pay, or Credit Card
- Max Match: \$2,500/donor
- Minimum Giving: \$25/month
- Up to \$75,000 matching dollars available (1st come 1st served)
- End Date: December 31, 2028

Spots will fill up quickly. If you are interested in signing up or have any questions please call us at 812-883-7334. We are so thankful for donors like you who help make Washington County a better place!

Those we love don't go away, they walk beside us everyday. Unseen, unheard but always near. Still loved, still missed, and held so dear.

Meet Some Amazing People.

Together, they are giving back to Washington County in a big way. All these people have funds in the Washington County Community Foundation that give back to their favorite charity.

This year they will have a combined impact of over \$77,970 in grants to Washington County.

Mary's Gift

Mary Smith passed away in 1991.

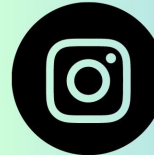

This year she is giving a grant to Canton United Methodist Church for a new front door. How wonderful it is that Mary is still welcoming people to her church.

One Person. Lasting Legacy. Thriving Community.
